The Greenvale Town Board met Jan 18, 2011 at 7:00 p.m. at the town hall with all members present except Bob Wentu.

Supervisor Greg Lanqu called the meeting to order & the pledge was said. The clerk read the minutes from December and Greg Lanqu moved to accept Richard Moore second. Approved.

~~The~~ wind energy subject was brought up to follow up on public hearing that was held on Jan 11, 2011. Dave Ed Johnson from Renewable Energy Resources and Dean Johnson from Resource Strategies were at the meeting. In order for the project to be considered there will have to be some changes done to zoning ordinance.

height from 100' to 199' - entrance use sit backs, - application guidelines - fees. decommissioning wind mill, density of towers, footings & such. A public hearing needs to be done first.

Discussed and public hearing will be Feb 7, 2011 at 7:00 pm. Notice will be posted & published.

Dore Maliska has put in a geothermal heat pump & permit was issued

Greg Lange checked on entrance signs coming into Greenvale Township. He said there are 14 signs. Bruce Otte will get some price quotes for a 24X36 signs. Information on signs would be name, building permits required & maybe no dumping & such.

Coalition of Government meeting will be held ~~at~~ on Jan 26, 2011 at Greenvale Town Hall.

Asked Otte's for a snow removal award. There has been some complaints about the timing. A lot of snow and a good job is being done removing & pushing out. Some residents are pushing their snow ~~into~~ across road. Bruce will get a list and we will send letters to residents. It is illegal to do this as it causes a safety issue.

Bills were acted on and paid
