

Jan 19, 2010

the Greenvale Town Board met Jan 19, 2010 at the Greenvale Town Hall at 7:00pm. with all members present.

Chairman Robert Wintu called the meeting to order and the pledge was said

Minutes from December were read and Guyan Lanque made a motion to approve and Richard Moore second. Approved as read.

Donavon Prussatt came before the board with a request to put up a 72x105 pole shed to be used for houses and hay. This will be an ag building. He will be constructing this on leased land (father in law) He has an option to buy. Richard Moore moved to accept Guy Lanque second Approved.

Dean Odette came before the board to explain the update on the fire contract there is an anticipated 10% increase in dues. There is a few things that play into this. Building a new fire station and a few trucks to update. A new contract will be given to us before the annual meeting. Fire department is a very good service to pay up.

Guy Langer has drafted a letter to be sent to Scott, Loran Norburns. The board will review and act on it at the February meeting.

Town Hall usage was discussed and a contract will be drawn up. 200.00 charge with \$175.00 refundable if town hall is cleaned up good.

Parties using will have to provide a home-owner insurance policy and be responsible for cleanup.

Wend energy. Nothing has been done lately.

City of Northford is approaching Watford for wanting to break their annexation agreement. Will keep up on this as it is a neighboring township.

Bob Segner has been in the hospital & we are concerned for his safety. Bob came to meeting and gave an update on health.

Bills acted on were as follows.

29/27
